

St. Patrick School
FACTS Tuition Management

FACTS Tuition Management is available for families who elect to pay tuition on a monthly basis (Pre-K tuition may be paid through FACTS on a monthly, weekly or biweekly basis). If you utilized FACTS to pay tuition for the 2021-2022 school year you are automatically reenrolled and need to do nothing at this time. If you are new to using FACTS at St. Patrick School, use the link below to create a FACTS account. You will be required to provide the financial institution information that payments will be charged to in order to activate tuition payments. There is a \$45.00 annual enrollment fee. Payments for the 2021-2022 school year will begin July 15, 2021 and continue through May 15, 2022. Payments will be deducted on the 15th of each month. The deadline to enroll is June 1, 2021.
