

Attention: St. Patrick School Families

Re: Next steps after registration for 2021 – 2022 school year

Remember to complete and return your registration form along with payment (check **or** charge through FACTS account) for the 2021 – 2022 school year by February 15, 2021 in order to receive the discounted rate of \$125.00 per student. After February 15th the price per student will go up to \$150.00.

FACTS tuition payment option - If you elect to pay tuition monthly (option for weekly or bi-weekly payments for Pre -K programs) and currently have a FACTS account, **you do not need to do anything**. Your account from the current year will roll over to next year. If you have not used FACTS before, you will need to establish an account. See **FACTS Tuition Management** information sheet below for the website link.

Financial Aid – BLOCS/ EITC grant money is available to qualifying families. See **St. Patrick School – Financial Aid** information sheet below for more information and the application website link.

If you have any questions regarding establishing a FACTS account or the Financial Aid application process, please contact Theresa McKeon at the parish office 610-647-2345.
